DESCRIPTION

Set just outside the charming village of Coutures, this very nicely renovated property enjoys stunning open views across the surrounding countryside and offers both a spacious main residence and an independent one-bedroom gîte.

The main house is thoughtfully designed on a single level and features three generously sized bedrooms. The principal bedroom benefits from its own en-suite shower room and dressing area, while another bedroom includes a delightful sitting area and built-in storage cupboard. A large family bathroom with both a bath and separate shower, along with a WC, serves the remaining bedrooms.

At the heart of the home is a fully equipped kitchen that flows seamlessly into the spacious living and dining area. A double-sided wood-burning stove creates a warm and welcoming atmosphere throughout both rooms, complemented by oil-fired central heating for year-round comfort.

Practical features include a utility room with a sink and plumbing for both a washing machine and tumble dryer, in the corridor there is a large and useful storage cupboard. A door from the corridor provides direct internal access to the garage and workshop, particularly convenient during wet weather.

The separate one-bedroom gîte offers an excellent opportunity for guest accommodation or holiday rental income. It benefits from electric underfloor heating and additional electric radiators. The ground floor comprises an attractive living room with doors opening onto a sunny south-facing terrace, a fully fitted kitchen with dining area, and a shower room with WC. From the kitchen, a beautiful and very sturdy cast-iron spiral...
