DESCRIPTION

Small, bijoux but neat and easy to care for, this lovely home was renovated professionally some 30 years ago but has stayed the test of time. It maintains its character and charm but offers scope for further extension with the right permissions if you so desired.

The downstairs Living Room is 24m² and has a corner sink with shelving for the kitchen. There is a woodburner (not compliant with current installation standards) and electric radiators, 2 windows and French doors leading to the paved terrace overlooking the gentle rolling hills of the countryside.

Upstairs there is a beautiful bright bedroom of 18m² with fabulous views across the countryside. The ensuite bathroom has a bath with shower over, a sink and a WC.

NOTES

Outside

The small outbuilding serves as a laundry room 10m² and a hobby room 9m², each with water and electricity.

There is a small covered terrace again with those amazing views beyond ...

There are neighbours but all appears quiet and discreet.

Simple but tasteful and comfortable. Don't miss this little gem!!
