## DESCRIPTION

Saint-Saturnin-lès-Apt is a charming, ancient Provençal village, crowned by the impressive ruins of an 11th-century castle. Today, it stands as a delightful place to live in the heart of the Luberon. The village offers a variety of local amenities, including bakeries, a butcher, an excellent delicatessen, restaurants, hotels, taverns, and inviting terraces perfect for enjoying a coffee or meal. In addition, there is a post office, a library, town hall, schools, and a large municipal swimming pool.

A weekly market adds to the village's charm, and with over 300 days of sunshine per year, the weather is an additional perk for those who love outdoor living.

As part of the Luberon Regional Natural Park, the village benefits from the preservation of its stunning surroundings. There are numerous paths nearby, ideal for biking, walking, or horseback riding, allowing you to explore the beauty of the region in an environmentally protected setting.

The bustling town of Apt, with its supermarkets, colleges, cinema, and more, is just 10 km away, ensuring all the necessities and entertainment you may need are within easy reach.
