DESCRIPTION

Offering around 138 m² of usable floor space in total, this property combines a bright and spacious apartment (94 m² Loi Carrez) with extensive garage, workshop and cellar space, a private garden of approximately 305 m² and beautiful lake views. Opportunities to find this combination of space, outdoor living and location in Veyrier-du-Lac are increasingly rare.

The apartment opens onto an entrance hall leading to a bright living room with direct access to the terrace and garden. The independent kitchen also opens directly outside, making the garden and terrace a natural extension of the living space throughout the warmer months. The accommodation includes three bedrooms, a dressing room, a shower room and separate WC, all arranged on a single level.

Direct internal access leads to a workshop area connecting the apartment to the garage above. The garage itself also benefits from substantial mezzanine storage, creating highly practical space for bicycles, paddleboards, skis and seasonal equipment. A separate internal staircase leads down to an exceptionally large cellar arranged in two sections beneath the garage, while a private outdoor parking space completes the property.

Outside, the private garden of approximately 305 m² is undoubtedly one of the property's defining features. Rare for an apartment in Veyrier-du-Lac, it provides generous space for relaxing, entertaining and outdoor dining while enjoying beautiful views across Lake Annecy and the surrounding mountains. A lower pedestrian access also offers a convenient route towards the lake, beaches and village amenities.
