NOTES

DESCRIPTION

Stone pillars lead you to a gravel driveway set in the heart of a lovely garden laid entirely to lawn. The old barn adjacent to the house has had the roof removed to create a quiet idyllic grassed courtyard area with countryside views to die for.

There are two entrances into the property - the large double height double doors lead you into the vaulted seventy square metre kitchen living room with huge imposing island and polished concrete worksurfaces. Modern but with a nod to tradition in the wooden beams.

Though the doors into a large salon with feature fireplace and wood burner which leads through into a good size snug ideal for autumn and winter evenings.

Two staircases lead to the first floor - the first to a level with a family bathroom, and three bedrooms, one of which is ensuite, all finished to the highest standard. The other staircase leads up to the fourth bedroom which could also be used as an office or studio.

It is rare to find something finished to this quality with these volumes in such an idyllic location. The little village of Sereilhac (with it's famous annual donkey festival) is only five minutes away and a short ten minute drive takes you to the town of Aix sur Vienne with all the facilities you could need. The airport at Limoges is only fifteen minutes away or twenty minutes into the historic centre of Limoges itself.

Really not to be missed.
