DESCRIPTION

Set in a peaceful hamlet in the beautiful French countryside, this rare property offers an exciting opportunity to create a substantial family home, equestrian property, gîte business, smallholding or lifestyle retreat. Comprising a main stone house under renovation, two additional houses, extensive barns and agricultural buildings, together with more than 19 acres (approximately 7.8 hectares) of attached land, the possibilities are endless.

Main House

The principal stone house is currently undergoing renovation and offers generous accommodation.

The heart of the home is a superb open-plan living area measuring approximately 11.4m x 6m (68m²), incorporating the kitchen, dining room and living room. A large original fireplace provides a focal point and is ready for the installation of a wood-burning or pellet stove.

Also on the ground floor is a spacious bedroom measuring approximately 6m x 4m, together with a WC.

The first floor occupies the full attic space and currently comprises two large rooms measuring approximately:

11.4m x 6m

4.2m x 6m

A bath has already been installed and the space would lend itself perfectly to the creation of a substantial master suite with en-suite bathroom and dressing area.

The house benefits from recently installed double-glazed windows and a brand-new fosse septique (septic system) will be installed as part of the sale.
