DESCRIPTION

The ground floor of this property is an open plan living / dining area with bar area which leads in to an open country kitchen. Double height ceilings give a real feeling of space.

Two sets of stairs lead to a bedroom on each side of the property, one with a bathroom. Both have mezzanine levels, one currently configured as another sleeping area, the other as a dressing room. There is a third bedroom above the dining room.

Outside the garden, laid mainly to lawn wraps around the front of the property and leads to a small outbuilding as well as a good size garage, big enough for car and workshop.

A really quirky and charming property in a good location close to the swimming lake at Bussiere Galant and only 25 minutes from Limoges airport - definitely worth viewing.
