DESCRIPTION

A secluded, mediterranean themed courtyard greets you upon arrival, and opens via large bay windows and doors into the extensive, open-plan kitchen diner.

The kitchen area has great storage and large work surfaces, accompanied by the central island and a large twin-oven stove.

The lounge is comfortable and cozy due to the impressive wood burner, but large enough for all the family. It has exposed beams, and exposed stone walls.

To the rear, a day room with laundry area.

The ground floor also offers a downstairs double bedroom and a shower room and WC.

To one side of the house, the attic space has been renovated, but left open as a social area and bedroom. To the other side of the house, two large double bedrooms and a bathroom/dressing room.

To the rear of the property, lots of storage areas with a permanent, wood and tile hangar. A large garden with room for a veggie plot.

The septic tank is conforming and a valued bonus to this sympathetic but tasteful property which will not fail to please. A property with rustic charme yet modernised for contemporary living.
