DESCRIPTION

This large family home is located 5 minutes from the village of Carsac and the beaches of the Dordogne, on the edge of a wooded area. It sets on a land of over 1 ha, of which 1,200 m² is still constructible (located on the other side of the land near the small access road).

The property consists of a main home featuring an office space with a shower / toilet and a pantry; then an entryway with cupboard leading on one side to the living room—which is very bright thanks to its big baie-windows—and a wooden deck overlooking the grounds; the living room opens onto the dining room, the open kitchen, and the pantry;

On the other side of the entry is a sleeping area with a large en-suite bedroom featuring ample storage.

Upstairs, the large and cozy mezzanine offers space for an office, reading, music, or TV. There are also three bedrooms/study with a bathroom and separate toilet.

Outside, there is a beautiful land with mature trees, vegetable garden, a 9x4 pool with a liner, safety cover, and a large, recently renovated terrace; the pool house includes a summer kitchen, and a guest room with a shower has been converted to delight friends and family.

Additionally, there is a large garage and various small garden sheds, a vegetable garden, a greenhouse, a chicken coop, and more.

This is a move-in-ready home requiring no work, which also offers the very rare opportunity of 1,200 m² of additional buildable...
