IN BRIEF

Located in the much sought-after village of Bellecombe in the massif des Bauges national park, this is the second time I've had these 2 houses for sale. The first time it was a total renovation project, which after several years of meticulous and dedicated renovation by the owners is now 2 modern homes with lots of character and original features. The first house is a spacious 4 double bedroom family home, whilst the second is a 2-bedroom gite with en-suite shower rooms, sleeping up to 8 with comfortable living space, a separate entrance via the covered parking plus a gym with sauna and shower

The property is near the junior school and a short walk to the excellent La Halte restaurant/ bar and boulangerie. Plentiful mountain walking on the doorstep and a short hop over the Col de...
