DESCRIPTION

The sale comprises two charming character properties, both currently offering ground-floor living, with substantial attic space that could be converted (subject to the necessary permissions) to create additional accommodation.

A range of traditional outbuildings provides further scope for development, making this an ideal project for anyone wishing to create several gîtes, holiday cottages or tourist accommodation in one of France's most visited regions. With world-famous Loire châteaux, vineyards, cycling routes and the renowned Beauval Zoo all within easy reach, the location is perfectly suited to the holiday rental market.

An additional advantage is that the commune is currently installing mains drainage, enhancing the property's future development potential.

Whether you are looking for a lifestyle change, a renovation project or an investment opportunity in the Loire Valley, this property offers enormous potential to create a thriving tourism business in a highly sought-after area.
