NOTES

DESCRIPTION

Saint-Martin-de-Castillon is a small medieval village perched in the heart of the Luberon Regional Nature Park. With its picturesque streets and authentic atmosphere, it offers a unique living environment—both peaceful and close to everyday amenities. The village has a small grocery store and a bar-restaurant, while Apt, just 10 km away, provides all essential services: supermarkets, secondary schools, a hospital, a Provençal market, cinema, and a variety of shops. The TGV station in Avignon is just 1 hour 15 minutes away, and Marseille airport can be reached in 1 hour 30 minutes, making travel around France and internationally very convenient.

The region is a true paradise for nature and outdoor enthusiasts. The Luberon Regional Nature Park offers miles of hiking and mountain biking trails, cycling routes, and scenic paths through perched villages and lavender fields. The landscapes alternate between wooded hills, forests, scrubland, and valleys, with breathtaking views at every turn. The biodiversity is exceptional: birds, deer, wild boar, and a varied flora typical of the Luberon, which changes with the seasons. It is an ideal setting for family activities, leisurely walks, outdoor sports, or simply enjoying the beauty of Provençal landscapes from a terrace or garden.

In short, this house offers not only modern comfort and high-quality finishes but also a rare opportunity to live in an exceptional natural setting, with the freedom to personalize the spaces to your taste and fully enjoy the unique charm of the Luberon.
