DESCRIPTION

Tucked away in a wonderfully convenient position close to the heart of this popular market town, this charming property offers a rare combination of original character, generous accommodation and a beautiful garden — while being just a short stroll from the cafés, restaurants, shops and vibrant market for which Prades is known.

The house retains plenty of its original charm and features throughout, creating a warm and welcoming home with plenty of potential to make it your own.

On the ground floor, the property has a bright and inviting living room, with a hallway leading through to the dining room and kitchen to the rear. The kitchen flows naturally outside onto a terrace and attractive garden, making this an ideal space for outdoor living. The garden is a particular highlight. Mature trees provide greenery, shade and privacy, while a basin-style pool/paddling pool offers the perfect place to cool off during the warmer summer months. There is also a useful utility/storage shed.

At the far end of the garden is a large barn currently used for storage, which offers exciting possibilities for renovation and could potentially be transformed into additional accommodation, a studio, workshop or entertaining space or stay as it is.

The first floor comprises two large, bright bedrooms along with a family bathroom.

The top floor provides a further two generous bedrooms, together with an additional office/room which is currently used occasionally as a bedroom. This flexible arrangement makes the property particularly appealing as a family home, holiday house...
