NOTES

DESCRIPTION

Set within the popular Corbières village of Montlaur, this recently renovated cottage offers well-planned and versatile accommodation, with four bedrooms, two shower rooms and a private enclosed courtyard.

On entering the property, you come into the fitted kitchen, which has space for a dining table seating six. The kitchen flows through to the main living space, with a comfortable séjour at the far end opening directly onto the enclosed courtyard of approximately 12m². This private outdoor space is not overlooked, providing a peaceful area for outdoor dining, relaxing or enjoying the sunshine.

Also on the ground floor is a generous shower room with WC, basin and shower, together with useful laundry and storage space. There is room for a washing machine, while the water tank is also housed here. A tap connection linked directly to the courtyard makes watering plants particularly easy.

From the séjour, two steps lead up to the ground-floor bedroom, which benefits from windows overlooking the courtyard. This arrangement makes the room particularly pleasant and gives the ground floor a degree of flexibility, whether used as a bedroom for guests, family members or as a home office or additional living space.

Upstairs, the landing provides a useful additional area that would make an ideal reading nook, study or home-working space. There are three further well-proportioned bedrooms, together with a second shower room equipped with a shower, basin and WC.

The enclosed courtyard at the rear is one of the property's most appealing features. Private and not...
