IN BRIEF

At the heart of an unspoilt natural setting, this contemporary single-storey villa, built in 2015, offers a truly rare living experience: modern architecture seamlessly integrated into its surroundings.

Set within more than 2 hectares of natural landscape and surrounded by lush vegetation, the property offers an exceptional sense of privacy and freedom. Its architecture, extensively open to the outdoors, places a strong emphasis on generous volumes, thermal comfort, natural light and uninterrupted views over the surrounding countryside.

The villa offers a total of 190 sqm of living space, with a spacious 95 sqm living room forming the heart of the home. The master suite features a walk-in dressing room and direct access to the terrace.

ENERGY - DPE

Outside, an exceptional terrace of 170 sqm extends

NB. Quoted prices relate to euro transactions. Fluctuations in exchange rates are not the responsibility of the agency or those representing it. The agency and its representatives are not authorised to make or give guarantees relating to the property. These particulars do not form part of any contract but are to be taken as a general representation of the property. Any areas, measurements or distances are approximate.
